

2016 GENEROSITY INITIATIVE

As part of our partnership with *Vintage Busete* in Uganda, we are initiating on a two-part generosity initiative to help further establish the effectiveness of this young-but-committed church!

Phase I is taking place **August 14 – September 30**, as we seek to gather approximately **\$4,800** (based on current exchange rates) to:

- Establish Pastor Anthony, and his family, in a home near Busete (they currently live a couple hours away, in Jinja) @ **\$180**
- Provide Anthony with much-needed transportation @ **\$1,500**
- Provide a multi-function smart phone for communication @ **\$60**
- Provide roughly 5 months worth of cell/internet time @ **\$100**
- Provide start-up capital for a small business Anthony can use to grow a sustainable source of income for his family @ **\$600**
- Send a member of our *Steering Team* with *Propel* in October, to help, not only with details/logistics, but also to provide ongoing biblical, discipleship, and pastoral training for Anthony, and his volunteer leadership team @ **\$2,500**
(NOTE: Someone from the Vintage family has already stepped up to help with the airfare portion of these expenses, either through frequent flyer miles, or a financial contribution)

Phase II will leverage our annual *Year End Gift* in **December**, as we seek to gather **\$7,500** to provide much needed physical resources for/through the church in Busete, including:

- Finishing main walls
- Lockable doors/windows
- Flooring/seating
- Solar power
- Working toilet
